Rigorous Academic Instruction

All scholars on grade level before high school

As our academic classes ramp up, our scholars are diving into reading the Outsiders in English Language Arts, multiplying and dividing decimals in Math, learning about Mesopotamia in History, and conducting experiments in Science to discover how matter is impacted by temperature. In electives, scholars are learning how to use a variety of computer programs in Computer Science, and the value of exercise in Physical Education by leading their class in stretching. Our Intervention period starts this week and we are looking forward to small group supports to help our scholars meet their growth goals.

Important Updates and Reminders:

- Monday - Thursday Dismissal is being pushed to 4:05pm to allow students more time at lockers and to write their homework down.
- Friday Dismissal is at 1pm
- We will have school on Rosh Hashanah: Thursday, September 21st & Friday, September 22nd.
- On Friday, if you earned a homework club and a detention, you will stay until 2:30pm
- Mindplay is a reading intervention program that will be offered to specific students on Tuesdays and Thursdays from 4:00pm - 5:00pm. Letters were sent home to selected students.
- Long Sleeve Polos will be available for purchase the first week of October
- If you have not picked up your child 15 minutes after dismissal, we will ask your child to come into the building and participate in homework club. They will not be released until 5pm Monday - Thursday and 2pm on Friday.
- If you would like to speak to the Principal please call the school to schedule an appointment.
